Online / Offline
Project Manager
www.chiararicci.it

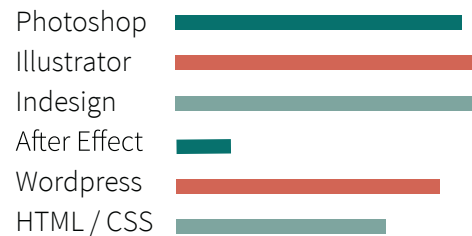

Hello! I'm Chiara. I love design, writing, yoga and new challenges.

I support professionals and companies to correctly communicate their own value, increase sales and visibility. I have been occupying 10 years of advertising offline and online with the support of other specialized professionals. If you are looking for a real high quality project at a medium price, you have found the right professional for you!
